Pude will check to see if the Streets Department has no parking signs that can be put up.

Carl Archacki, President of C.R.E.A.T.E. said that they have reached the fund raising goal to have the crushed millings put on the parking lot at the Fire Hall.

Archacki also said that the next Music Festival meeting is scheduled for April 29th at 7:00 p.m. at Abigail's On Main.

Unfinished Business

Hale provided an update on the playground project. She will be receiving quotes from three different playground structure companies as well as quotes on the safety surface to be installed under the structures.

Hale also said she attended a meeting with Crawford County and Active Aging to discuss the demolition project. Moody and Associates has been hired as the consultant for the project. If everything goes well and the permits are received in a timely manner, the demolition could take place in August or September.
