Hearing of Citizens and Taxpayers

Travis Davis of 237 McClellan Street asked if there were any additional quotes for the fire hall parking lot?

Carl Archacki said this is a CREATE project and we just needed an estimate on how much this type of work would cost before we start fundraising.

Travis Davis asked about the sidewalk notices that were sent to certain homeowners. Could they do the work themselves or would they need to hire someone and would they need a permit?

Hale said the entire town is not done at one time, it is divided into four areas.

Pude said the homeowners can do the work themselves they do not need to hire a contractor. But in most cases the homeowners can't do them. The Borough has always suggested to the homeowners to talk with their neighbors to possibly hire a contractor together and have the sidewalk work done. She said if the work isn't done, the Borough will then put together a list and get quotes, then bill the homeowners for the work.
