Public Comment

Gary Ellis of 136 Forest Street spoke with the Authority about the manhole in front of his house making a lot of noise when vehicles travel across it.

Pude said that she has asked the Streets Department to take a look at it to see what can be done. First, the Streets Department will put a different lid on it to see if it fits tighter and doesn't make as much noise. If that doesn't work, they will try putting a seal on it.

Ellis said he has talked with his lawyer and they would like to see this resolved as soon as possible.
