Recreation Area Discussion with Cambridge Township Supervisors, Little Gridders & Little League

Pude said there is currently \$10,114.11 in the Recreation Fund. She has already paid for the port-a-pottie rental. The project to replace & repair fencing at Stein Field and Lura Road was approved in 2019. The remaining work will be done this year. The balance due will be \$1,915.

The Little Gridders Representatives were not in attendance but submitted a quote they obtained for the purchase and installation of an electronic scoreboard which is now required by the league that they have joined. The price of the scoreboard is \$7,495 plus installation costs of \$6,500-\$7,500. They have raised approximately \$3,000 for the purchase of the scoreboard. Council requested more information on the installation to see if those costs could be reduced. Pude will contact the Little Gridders to get more information.

Representatives from the Little League said the only project they have to complete is the building of the new dug outs. They will need approximately \$3,000 for materials to build the new dug outs. They have also been working with the Borough Foreman to get the electric removed from the old concession stand and transferred to the new building. The

electrical work will need to be done before the Little Gridders can have the electric run from the new building to their scoreboard.

The Township Supervisors said they will discuss the requests at their next meeting.
